Organic Spa Certified Skincare would like to introduce this luxurious range that is Australia's very own 100% natural skincare range that combines medicinal strength of certified organic plant extracts. Organic Spa has been carefully formulated to contain high levels of active properties that have been proven not only to be highly results driven but good for you and the environment. This certified organic range is Australian owned & manufactured locally in the beautiful northern outskirts of the Byron Bay region in New South Wales.

Fragrant Earth has proudly been in operation at the Endeavour Plaza, Agnes Water since December 2000 and has been owned and operated by Helen O'Brien and Philip Barr who moved to the area from Gladstone. We pledge to provide quality treatments to our clients, and are here to please and give the best service possible.
